   A Memory Away...

> <meta name="Generator"> Will you miss me when I'm gone _

Will you miss me when I'm gone?

_

(Darien looks at the moon and a tear roll down his cheek. "It's been
two years, two long years".)
_

Will you remember all the good times we've had?

_

(*Flashback* "Serena look out!" "Ahhhhh!" It was too late; the blast
hit her dead on. *End Flashback)
_

The hardest thing about leaving is saying goodbyeâ€¦

_

(Darien visited her grave and placed a red rose.)

_

We'll always be the greatest of friends.

_

(Ray sat at the Scout meeting waiting for Serena to come rushing in

late as usual, but she would never be late, again.)

—

I'll miss you more than I can say.

—

(Mina watched Ray looking at the doorway, wishing that Serena and Ray would fight, but they'll never will.)

—

And when I'm blue, I'll just dream about you.

—

(Amy tried to read a book knowing what to say when Serena tells her that she studies to hard, but she'll never say that.)

—

I'll be only a memory awayâ€¦

—

(Lita walked down the street expecting Serena to come running and trip, but she'll never run and trip.)

—

You're something special to me.

—

(Queen Serenity watched her Serena's court and love with sadden eyes. "Mother, is it time, yet?" "Almost dear, almostâ€¦")

—

Friendship is something that money can't buy

—

(Serena watched her friends go on in life still grieving what had happen to her, even after two years.)

—

And if you need me, you know that I'll be there for youâ€¦

—

("AH! Monster!" someone screamed. The scouts transformed and rushed over to where they monster was. How much Serena wanted to help them now, but soon she would be able too.)

—

We'll always be the greatest of friends.

—

(The girls beat the monster and detransformed. They all felt hot burning tears press against their eyes.)

—

I'll miss you more than I can say.

—

(Darien looked at the moon as a tear rolled down his cheek and the tear drop hit the book he was reading.)

—

And when you dream, I'll be there for you.

—

(Serenaâ€¦ He says with a sigh. He looks at the moon again.)

—

I'll be only a memory awayâ€¦

—

(Today isn't suppose to a full moonâ€¦ Darien could of whacked his self on the head. He would wait for all eternity for her but this time he didn't have to. And for the first time in two years he smiled.)
—

We'll always be the greatest of friends.

—

("It's a beautiful night," commented Ray. Mina agrees. Something catches their eyes.)

—

I'll miss you more than I can say.

—

(They all looked up at the full moon to see it shining brighter than usual. They looked at each other in reconization)

—

And when you dream, I'll be there for you.

—

("Is she?" "Aye, Ray, I think she is." For the first time in two years they were truly happy.)

—

I'll be only a memory awayâ€¦

—

(In a hospital not too far from there, a baby girl with big blue eyes is born. She doesn't cry, instead there is a small little smile on her face, like she know there's people waiting for her to come home.)
